HOW WE WORK

We hire employees and workers from around the globe like India, Pakistan, Nepal, Sudan, Ethiopia, Egypt, Srilanka, Bangladesh, Indonesia, Philippine, Somalia and Yemen, We aspire to provide these people with improved living standards as well as employment and be the force leading them towards a better life. We conduct protocol interviews with each candidate and inquire about their skills; we assess them based on prime qualities like punctuality, on time task completion, proper finishing with certified quality. People aligning well with these terms are hired as professionals by our company and outsourced on various projects as per the requirements. FALCON is one of its kind contract staffing solution providers or professional Manpower supplier providing skilled manpower as per your precise business requirements in both the private and public sectors as well as individual needs- We developed a notable culture at FALCON laying great emphasis on innovation, customer focused products, efficiency, and industry based products with great planning. Our outlook has allowed to continuously adapt to the changing market needs and thrive in our business for customer benefit, ambitious enough towards achieving the utmost excellence in our field.

OUR VALUES

FALCON builds its roots on a few core values:

Trust: We are a performance quality driven organization dedicated to providing re-employment to the mass in the files of manpower. We are a trusted partner and resource for our customers.

Respect: we treat individuals with respect, in every interaction. We follow the saying "Respect is received only when it is delivered". We treat our clients with the utmost respect following mandatory ethics.

Integrity: Integrity is the key strong trusted customer base. We promise only when we can deliver. Our business for one is built on a foundation of honesty and integrity.

Commitment: We are pledged to providing committed solutions to our customers. We exist to meet our customer challenges with innovative and practical solutions.

Professionalism: We are seasoned professionals continuously educating and preparing ourselves for the ahead.

Joy: Helping others through our daily business and community service, we believe in returning our society in every possible way.

SAFETY & HEALTH MANAGEMENT

Falcon is committed to building and maintaining a safe working environment and continual improvement with clear and non-negotiable standards and procedures. Our approach goes further than achieving our safety objectives with a zero-harm philosophy.

We proactively foster a safe working environment in all the sites we manage and enhance the wellbeing of our employees and that of the communities within our areas of operation. We are committed to complying with all relevant legislation including the Occupational Health and Safety current environmental laws and regulations.

**SAFETY
+ HEALTH
FOR ALL**

Compliance with legislation is important to us to the extent that it provides a minimum standard for the development of our systems and procedures. We regularly review this legislation and where necessary address new requirements. In addition, we provide intensive on-going training to employees to ensure they are informed of the full extent of their safety and health obligations.

SAFETY PROGRAM

Safety is a highest-level priority in all aspects of Falcon's activities and has been an important factor in our business success. FALCON is always fully committed to Ensure 100% safety at its work sites in addition to enhance Safety awareness.

Amongst all employees, we conduct -

- ◆ Employee Orientation and Introduction.
- ◆ Safety Training
- ◆ Safety Meetings
- ◆ Employee Safety Training
- ◆ Supervisor / Foremen Safety Training
- ◆ Correcting Unsafe Acts or Conditions

STONE WALL DESIGN AND SPECIFICATIONS

Stone walls lace the landscape of Saudi Arabia and many places throughout the world. These dry-stone structures (dry meaning built without mortar) define fields and properties; retain slopes, support bridges, buildings, and much more. They are functional and beautiful and are a continuing part of our history and landscape.
